

Add Photographs:

- ☒ Clearly label your photos.
- ☒ We will return all photos unharmed.
- ☒ We will scan the photos (if needed) and add in all identifiers from your labels.
- ☒ Displaying photos on a family tree brings more attention to it and makes it easy to see who everyone looks like!
- ☒ Supply photos of everyone at various ages and we can create family trees by age – showing each member at the same age, such as High School graduation for even easier comparison.
- ☒ Additional Costs:
 - ☒ Scanning – 2/\$1.00
 - ☒ Inserting in tree – No Charge
 - ☒ Printed tree with photos - \$2.50 per tree; \$1.00 for additional copies of same tree
